👤 PROFILE

Passionate, dedicated Makeup, Makeup Effects, & Prosthetic Artist specializing in the areas of Film/TV as well as BIPOC skin tones and inclusivity. Accustomed to leading a department, accomplishing both the design and application phases of makeup looks, along with maintaining strict continuity. Specifically experienced working with a broad range of skin types, including but not limited to: sensitive, acne-prone, mature, dry, oily, and sweat-prone. Maintains a professional focus in classic glamour and natural beauty makeup, straight ('no-makeup' makeup), fun color and texture application, and Makeup Effects (creating character makeups and recreating *medically accurate* trauma; like bruises, cuts, burns, etc, skin conditions, and disease). Health Safety and Sanitation multi-certified.
